

COMMUNITY SUPPORTING COMMUNITY

The **Paul Bunyan Vintage Auto Club** received tremendous support from the community for our 27th Annual Car Show and we wish to acknowledge and thank our sponsors for t-shirt, trophy, printing, advertising, kids' game prizes, donations of goods and services, and other sponsorships.

With our member volunteers and the wonderful attendance at our Car Show we are able to multiply this support and donate to worthy local causes. Last year we donated to the following community non-profit causes: Automotive Scholarships at Northwest Technical College, Beltrami County Historical Museum, Bemidji High School Industrial Technology student support, Headwaters Science Center, and Relay for Life.

**THANK YOU FOR HELPING TO
MAKE ALL OF THIS POSSIBLE!**
